## Customer Advisory

Update: Dry Docking – Bougainville Coast Vessel

Dear Valued Customers,

Consort Express Lines is pleased to advise customers that the Bougainville Coast, which has been in dry dock since early October, has now completed its planned maintenance and will return to service this week.

Our sailing schedules have been adjusted to reflect the additional vessel and will return to their normal fixed day **weekly** and **fortnightly** frequencies ahead of the busy festive season and end of year period.

We thank you for your patience throughout this process and look forward to returning to our usual liner schedule. Please [contact](#) your local Agency representative directly if you have any questions.

Kind regards,

Consort Express Lines
